CURRENT SERIES: GREATER THINGS

Week 1: "God's New Thing"

JAMES BROWN, GROUPS PASTOR ■ NOVEMBER 2, 2008

Can we move beyond the _____ of our PASTS that keep us a _____ in the PRESENT?

God has even _____ in store for your life.

→ Isaiah 43

Isaiah 43.18: "Forget the former things; do not dwell on the past."

THE GAMES WE PLAY:

THE _____ GAME.

THE _____ GAME.

→ The only person who can ruin your life is YOU.

It's going to stretch us like never before.

Greater things are yet to be done in the Metro...in Minnesota...in Mhlosheni!

At The _____ Festival, they "rip off" their rearview mirrors to forget the past, to fully experience the present, and to keep their lives oriented toward their dream for the future.

Special Note:

I can't wait for you to hear about the GREATER THINGS God's leading us to in 2009 and beyond. Our Senior Pastor, Phil Print is going to do that at the *Greater Things Gatherings* coming up. It is happening here next Sunday night at 7:00 PM at our Eagan campus. If you can't make this one, there will also be 3 other Greater Things Gatherings at the Woodbury Campus at 7:00 PM on Thursday, Friday, and Saturday. Dessert and childcare will be provided.

Fill in the RSVP card...come expectantly. Come believing that if our feet are pointed forward and our hands are opened upward that we will see GREATER THINGS.

Prayer: "God, I'm in. Use me and use Crossroads Church to do greater things. Amen."
