MESSAGE NOTES

International Justice Mission

IJM is a global organization that protects the poor from violence throughout the developing world.

Fear of violence is part of everyday life for the poor.

The poor are vulnerable because their justice systems don't protect them from violent people.

- » 4 billion people live outside the protection of the law.
- » There are 40+ million slaves in the world today - more than at any time in history.
- » 1 in 4 slaves is a child

The motivation for IJM's work is God's heart for justice, which is found throughout the Bible.

Micah 6.8: God has told you, o mortal, what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?

Practically speaking, how are we to fulfill God's requirement to "do justice"?

- » Look for *injustice* - and then take steps to correct it.
- » *Injustice* = the abuse of power by taking from others what God has given them.
 - Property
 - Innocence
 - Life
 - Freedom

IJM protects the poor from violence by:

- Rescuing victims
- Restoring survivors
- Restraining criminals
- Repairing justice systems

Luke 4.18-19: "The Spirit of the Lord is on me, because he has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed, to proclaim the year of the Lord's favor."

Jesus declared his "mission statement" through the words of Isaiah.

- » Today, he could choose to accomplish these things all by himself.
- » But he chooses, instead, to use *people* to get his work done in the world.
- » There is no Plan B.
